

REMARKS

The Examiner's Amendment that accompanied the Notice of Allowance was intended to amend claim 8; however, the Examiner's Amendment referred only to the line numbers being amended and did not expressly refer to claim 8. Therefore, this amendment is being made after allowance to clarify the change that was intended to be made by the Examiner's Amendment.

Accordingly, Applicants respectfully request that these amendments be entered pursuant to 37 C.F.R. § 1.312. If the examiner believes for any reason direct contact would help in entering these amendments, the examiner is encouraged to telephone the undersigned at the number given below.

Respectfully submitted,
CHEN SHIH-TSUNG.
